DECEMBER 2023

THE SECOND ONLINE MEETING

The second online meeting of the project took place on November 17th, 2023, via Zoom Platform.

All project partners from Greece, Italy, Portugal, Jordan and Palestine attended the second online meeting except PTCDB partner from Gaza.

The discussion started with news about the situation in Gaza and the partners from Gaza. An update about the visa issuance for the upcoming WP2 training in Portugal was also given by PTUK, JUST and BAU. It was agreed to postpone the Portugal training to March 2024.

New provisional dates for the training are 4-8 of March 2024, while The Greece/Thessaloniki training remains the same, in February, preferably towards the end of the month - this remains to be confirmed with IHU.

IHU: KICK OFF MEETING OF AN ERASMUS+ PROJECT

The kick off meeting of an Erasmus+ project 3D4U took place on December 17th, 2023 in IHU

3-DGarT project was mentioned in the presentation of the Department's Extroversion Activities and IHU 3DGarT flyer has been put in every partner's physical folder for dissemination purposes.

PTUK: THIRD INTERNAL MEETING OF THE PROJECT

Prof. Derar Ellian and Mr Samer Al- Sabi organized the third meeting of 3-DGarT in PTUK.

During the meeting, training models were checked and discussed. The final design of the rule-up as well as the signboards was finalized. Two copies of rule-up and three copies of the signboards are currently under printing.

The PTUK team prepared for the training intended to be held in Greece and Portugal. The visa issue was discussed.

PTUK conducted the third internal meeting of the project on September 26th, 2023 in PTUK university, Palestine.

ZARQA UNIVERSITY COLLEGE HOLDS ITS ANNUAL EXHIBITION OF CONTEMPORARY FASHION, AND VERY BEAUTIFUL ARTISTIC MURALS.

Zarqa University College, affiliated to Al-Balqa applied University, held the annual exhibition of graduation projects for students majoring in fashion design and clothing production on July 26th, 2023

Zarqa University College, affiliated to Al-Balqa applied University, held the annual exhibition of graduation projects for students majoring in fashion design and clothing production in the presence of the dean of the College, Prof. Dr. Mohammed Ghaith, members of the board of Trustees, Dr. Mohammed al-Zubaidi, engineer Akif Abu Hajar, a number of faculty and administrative staff and students' families.

The exhibition included pieces of children's clothing, in addition to wedding suits and evening dresses for various occasions, which reflected the spirit of fashion and the fashion world full of sophistication and creativity.

WHAT'S NEXT?

The partners are already preparing for the next steps of the project.

The capacity building programme in Thessaloniki, Greece (IHU) will be conducted in Feb 5th to Feb 9th 2023 and the capacity building programme in Portugal will be conducted in 4th to 8th March 2023.

The preparation of the 3DGarT Labs is already underway, with the 3D software and hardware being installed at the Garment and Fashion Design Centers in Jordan and Palestine.

The staff of the Centers, with the support of the EU partners, will start, as the next step, to develop new and innovative VET education programs, delivering key competences and ICT skills related to 3D garment design.
