At the end of the meeting, the partners were invited to a networking lunch, providing an opportunity to reinforce communication and collaboration in an informal setting, strengthening the relationships that already exist between the various elements of each project partner.

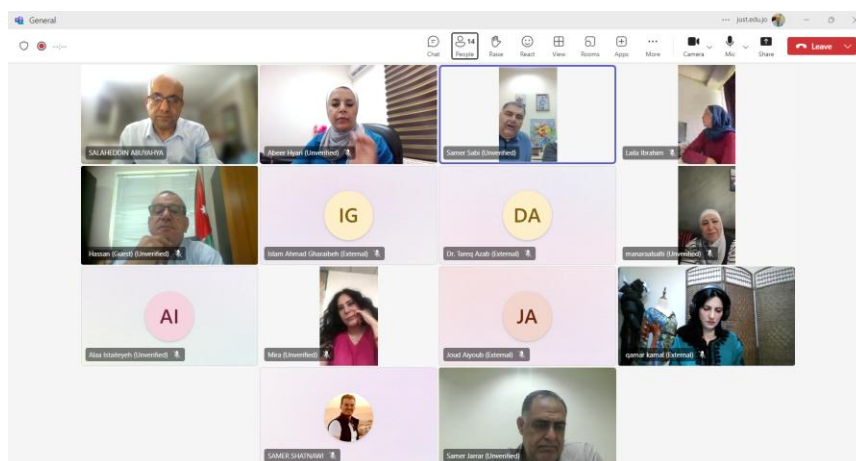

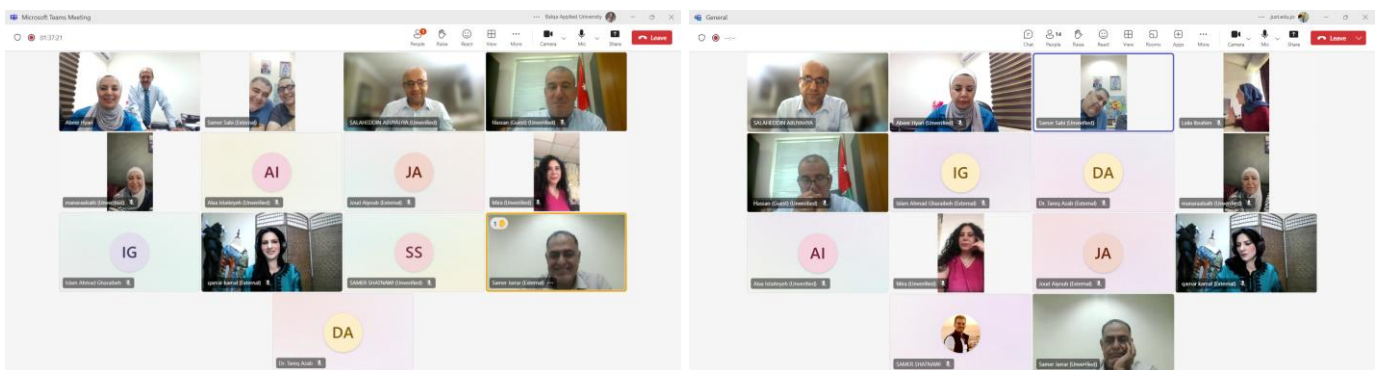

FIRST ADVISORY BOARD MEETING

Jordan University of Science & Technology (JUST) has organized the first online meeting for Advisory Board of 3DGarT Project on Monday July 29, 2024, from 11:00 AM to 12:30 PM (Jordan Time)

Prof. Fahmi Abu Alrub from JUST and Prof Tareq Al Azab form BAU made a welcoming speech followed by presentation of the project, its objectives, and its achievements by now by Salaheddin Abu Yahya from JUST. Dr. Abeer Al Hiari from BAU presented the scope of the establishment of the Labs and their possible services for the audience. During the meeting, the members of the advisory board from Jordan and Palestine discussed some important points about the project.

The advisory members gave their opinion about the project's progress and results. They discussed what should also be taken into consideration regarding the services that the Labs will offer so they can effectively contribute to the development of the sector.

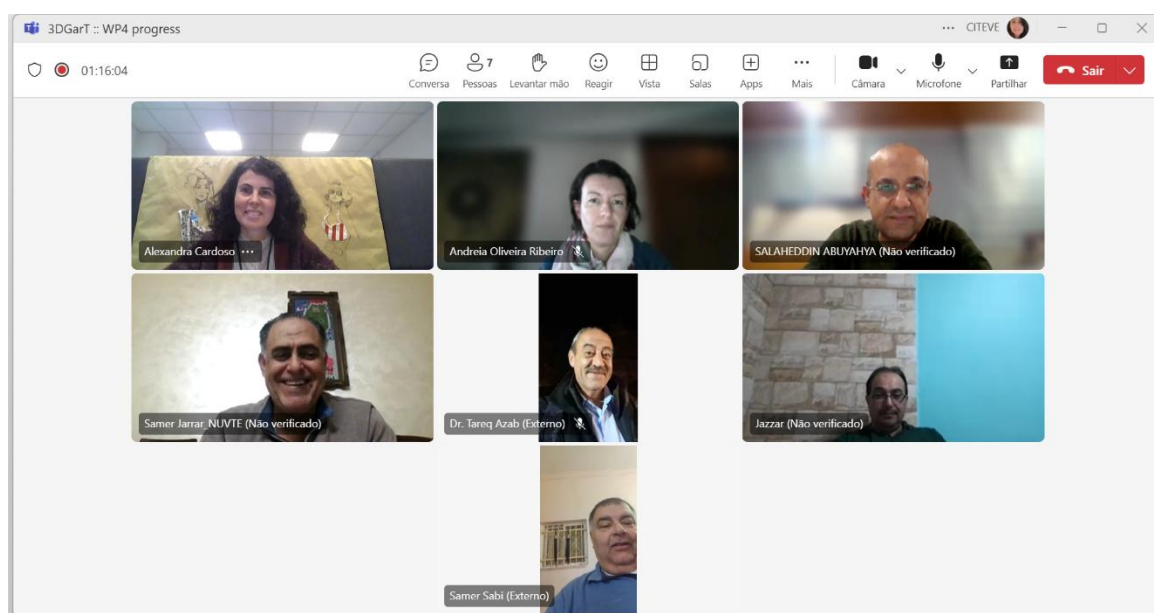

ONLINE MEETINGS

On October 28, 2024, a virtual meeting was held with the participation of partners from Jordan, Palestine, and Portugal.

The main objective of the meeting was to distribute tasks among the partners from Palestine and Jordan to facilitate the preparation of materials that will be developed as part of the project. The Portuguese partner was responsible for distributing tasks, providing guidance, and defining the nature of the content to be developed. This work falls under Work Package 4 (WP4).

The intended objective was successfully achieved, and the materials were prepared on time in both English and Arabic.

On December 19, 2024, a virtual meeting was held to discuss Work Packages 1, 4, 5, and 6.

The objective of the meeting was to review progress, address challenges, and coordinate upcoming tasks related to these work packages.

In addition to discussing the work packages (1, 4, 5, and 6), the meeting also covered several important topics, including financial matters and accreditation issues.

Key agenda items included: Newsletter December 2024 Issue – Led by JUST, discussing the finalization and dissemination of the newsletter. Setting up and Maintaining the Advisory Board – JUST provided an update on progress, challenges, and next steps related to the Advisory Board's activities.

WHAT'S NEXT?

On April 4th, the partners will meet in Vila Nova de Famalicão, Portugal, for the consortium meeting to define the final steps of the project.

In parallel, the partners are organising dissemination activities, including at least two events each in Jordan and Palestine to launch the Labs and the developed courses. Additionally, final conferences will be organised by the partners in both countries during the last month of the project.
