

Accessibility Unit for People with Disabilities and Special Educational Needs

Within the framework of Equal Access and with the mission to support members of the academic community with disabilities and/or special educational needs, the institution operates an Accessibility Unit that plans to provide transportation services to and from the University Campus for students with mobility issues. The institution is committed to providing equal access to education for all members of the university community by adapting to special educational needs and providing services and accommodations that contribute to smooth participation in academic life.

The Unit operates within the framework of the project "Support of equal access interventions for people with disabilities and other special educational needs at the International Hellenic University (IHU)", MIS 6017332 (CC 81939), which is co-financed by the Region of Central Macedonia and the European Union, and provides:

- Adaptations in examination and teaching methods
- Counselling and psychological support
- Accessibility support for printed and digital material
- Transportation and Escort of students with Disabilities
- Collaboration with academic and administrative staff to better meet the needs of students

To receive support, document your needs, and ensure support for mobility or other issues requesting special assistance:

1. Complete the form found here (Transportation Interest Declaration Form)
2. Send the completed form to the Accessibility Unit's email address: prosvasi@ihu.gr
3. The Unit will contact you for further details.
